Allowable Subject Matter

Claims 13-16 are allowed.

The following is an examiner's statement of reasons for allowance:

The present invention is generally related to encoding a multi-channel audio signal in audio recording and reproducing system. The claims are allowed, because the prior arts of record do not teach wherein each channel in the multi-channel digital audio signal, that is generated from a matrix operation, is encoded according to a selected linear prediction method as recited in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Daniel D. Abebe whose telephone number is 571-272-7615. The examiner can normally be reached on monday-friday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Doris To can be reached on 571-272-7629. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
